

Spot

## MAREB – 821860142

incl. 1x SMD, 11W · 1x 1000lm, 3000K

- **Sleuable**
- **Not suitable for external dimmer**
- **IP65**
- **Not dimmable**

With the MAREB outdoor luminaire, you can set atmospheric lighting accents around your house and decide for yourself what is to be the focus of attention in your outdoor area. The variably adjustable spot allows inviting and effective light to be positioned exactly where it is needed and desired. The decorative garden lighting comes with a ground spike, which allows for easy mounting in your garden. Thanks to the IP65 protection rating, the luminaire is extremely weather-resistant. Integrating the luminaire into existing garden concepts is effortless thanks to the discreet anthracite colour design. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Diecast aluminium ·  
Anthracite

### Product dimensions

Height: 42cm  
Diameter: 8cm  
Depth: 11cm  
Weight: 1,09kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 11W  
Lumen: 1x 1000lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
